

Addendum to Participation Form Independent Sales and Marketing Contractors – Legal Notice and Terms

Effective Date: _____

This Addendum supplements and forms an integral part of the Participation Form used by representatives of Personal Empowerment Teams, Inc. ("the Organization"). All individuals engaging in the solicitation or enrollment of members using the Participation Form are bound by the terms set forth below.

1. Independent Contractor Status

The undersigned ("Contractor") is an independent contractor—not an employee or agent—and is responsible for all taxes/benefits. Contractor must hold any required local business registration (e.g., City of Los Angeles BTRC), operate an independent business (markets to the public, serves multiple clients), set their own hours/rates, and use their own tools. Contractor has no authority to bind the Organization and may not collect payments; all payments must go through Organization-approved channels. Contractor will follow applicable laws and written policies, and if these requirements aren't met, the Organization may suspend work or reclassify the role to comply with the law.

2. Limited Authority

Independent contractors are authorized solely to present and distribute information and to assist prospects in completing the Participation Form. Contractors may not collect funds, make guarantees, or obligate the Organization in any manner.

3. No Guarantee of Earnings

The Organization makes no guarantee of income or compensation. Contractor earnings are based entirely on performance, if applicable. Past performance is not indicative of future results.

4. Use of Participation Form and Member Information

Contractors shall use the Participation Form solely for its intended purpose. All data collected from prospective members is the property of the Organization and must be handled in accordance with applicable privacy and data protection laws. Contractors may not retain, duplicate, or repurpose collected data for personal or external use.

5. Right to Cancel (California Buyer's Remorse Law)

Pursuant to California Civil Code Sections 1689.6–1689.14, individuals who enroll in any program or

service through the Organization's Participation Form outside of a regular place of business have the right to **cancel the agreement within three (3) business days**. A Notice of Cancellation form will be provided to each prospect. Cancellations must be submitted in writing within the allotted period.

6. Payment and Chargebacks

Contractors are strictly prohibited from collecting payments on behalf of the Organization. All payments, if applicable, must be submitted directly by the member through Organization-approved channels. The Organization is not liable for any payments made outside these channels. Members acknowledge that they are voluntarily submitting payment for services or participation, and agree not to initiate a chargeback without first contacting the Organization for resolution. Improper chargebacks may result in suspension of benefits or services.

7. Commission Compensation (50%).

Contractor earns 50% of Net Program Fees per Qualified Enrollment that are paid online through 24/7 Empowerment's platform. Qualified Enrollment means a first-time participant attributed to Contractor at enrollment (name or verified link) who completes a paid enrollment and remains past the refund/cancellation period; only one Contractor may be credited per participant. Net Program Fees means program fees actually received minus taxes, discounts, refunds/chargebacks, and third-party processing/platform fees; donations/grants/sponsorships are not commissionable. Commissions are paid within 7 days after the refund period, are reversed on refunds/chargebacks, are single-level only (no downlines), with no advances and Contractor covering their own expenses; W-9 required, and 1099-NEC issued as required; terms may be changed prospectively by written notice.

9. Acknowledgment and Agreement

By signing below, the undersigned acknowledges receipt and understanding of this Addendum, agrees to abide by its terms, and confirms they have no authority to alter or negotiate the Organization's official offerings.
